SHORTHORN PRODUCTION SALE

MAY 30, 1966

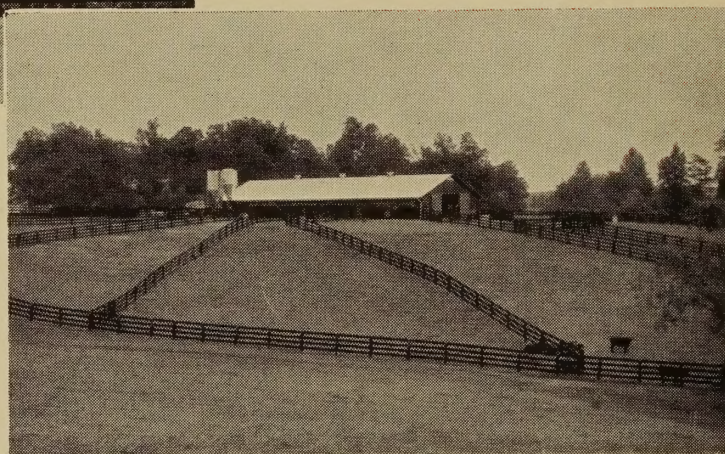

at the farm on Free Union Road

CHARLOTTESVILLE, VIRGINIA

The farm office at Lewisfield also houses one of the world's foremost collections of Arabian horse art. The sale will be held in the enclosed arena adjacent to the office.

Welcome to Lewisfield

Shorthorn headquarters at Lewisfield is practical and well-maintained. Note the open barns and large exercise lots.

EACH OF US at Lewisfield looks forward to welcoming you on Memorial Day, May 30, with the keenest anticipation. We have been a long time in assembling the large Lewisfield herd and fortunately the foundation has been drawn from the very best in both North America and Scotland.

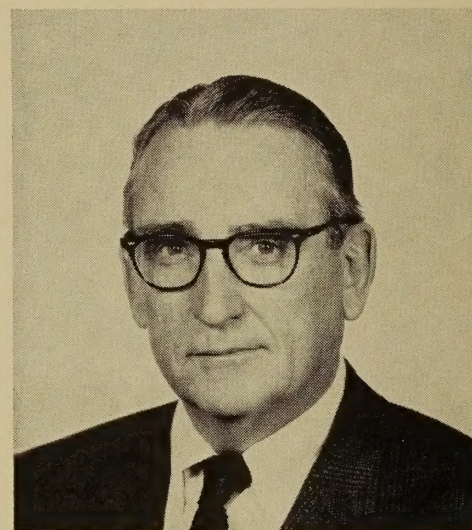

We have purposely planned the sale on the Memorial Day weekend so that our good friends from throughout the continent can travel conveniently. By May 30 the spring work should be about finished and you will owe yourself a vacation. Charlottesville, in the beautiful Blue Ridge Mountains, is an excellent spot. Come early enough to visit the University of Virginia, Monticello, nearby Washington, D.C., and travel through the historic countryside.

There is much to see at Lewisfield as well. The registered Shorthorn and Polled Shorthorn herd was founded to supplement a large commercial operation which is well-suited to our hill land. We would like you to see the success we are having with Shirgarton Ranger sons and grandsons in the commercial herd. We are also very proud of the Lewisfield Arabians, the kennels and of course of the collection of Arabian horse art.

My wife Hester, our son Fielding, and cattle manager Bob Magill extend a most cordial invitation for you to bring the entire family for a memorable and educational vacation trip. Arrive as early as you like, but plan definitely to be our guests at buffet dinner at the Thomas Jefferson Inn, the night before the sale.

Cordially,

James Fielding Lewis

James Fielding Lewis

The Lewisfield farm staff includes, from left, Dick Shields, Dave Hagen, Rob Leach and cattle manager, Bob Magill.

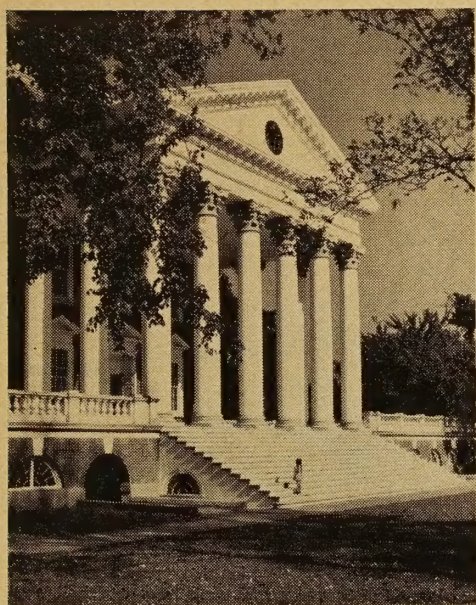

ON THE FRONT COVER

Greeting you at the main entrance to Lewisfield is Shirgarton Ranger himself, the \$20,000 "Miracle Bull" that is acclaimed the world over as a sire of modern type beef cattle — thick, rapid-gaining and profitable. In 1960 Ranger was grand champion at the American Royal, Edmonton, Grand Forks, Billings, Great Falls, Minnesota, and reserve senior champion and first-prize two-year-old at the International. Later he sired the 1961 International reserve champion female and the 1964 International supreme champion bull. His sons and daughters are a feature of this historic production sale.

Spend Memorial Day Week-end In Historic Charlottesville

Thomas Jefferson designed the world-famous Monticello in Charlottesville as his own home. Open daily it is maintained today as a national shrine. Be sure to visit it when in Charlottesville for the Lewisfield sale.

The rotunda of the University of Virginia is a monument to the artistic skill of Thomas Jefferson. Located in Charlottesville, it is a "must" for your visit to the city. Open daily.

Plan an Educational Vacation Trip

A VISIT to historic and beautiful Charlottesville, Va., is like a step into history. Here is Thomas Jefferson's famous Monticello as well as Ash Lawn, the home of President James Monroe, and Michie Tavern where Patrick Henry was reared. The Albemarle Court House, which now contains Jefferson's will, was a frequent meeting place for Jefferson, Monroe and James Madison. The University of Virginia is located here together with Jefferson's birth place and the world-famous statue of Stonewall Jackson.

Nearby is Richmond, capital of Virginia, and once capital of the Confederate States. Within easy driving distance is Williamsburg, historically restored capital of Colonial Virginia, and Jamestown, site of the first permanent English settlement in America, and Yorktown, where the nation won its independence in 1791.

One of the most scenic drives in the nation is over the Blue Ridge Parkway and Skyline Drive and just over the mountains lies the beautiful Shenandoah Valley, renowned for its scenery and for the many Civil War Battles fought there. Here are many natural wonders, among them Natural Bridge and the famous caverns of Virginia. Of course, Washington, D. C., is only an hour away. Also convenient is Staunton with its birthplace of Woodrow Wilson and Lexington with the homes and tombs of Robert E. Lee and Stonewall Jackson.

Lewisfield or the sale manager will be glad to help you with reservations and plans, but we suggest you write directly to the Charlottesville Chamber of Commerce, Box 1564, Charlottesville, Va., 22902. Mention you will be attending the sale.

The Michie Tavern was the home of Patrick Henry and was a frequent meeting place for Thomas Jefferson, James Monroe, James Madison and Andrew Jackson. It is open daily from 8 to 5 p.m.

Shirgarton Ranger

SHIRGARTON RANGER, right, the \$20,000 "Miracle Bull," is acknowledged throughout the Shorthorn business as a sire of exceptional stature. After winning a host of championships in 1960 himself, he sired the 1961 International reserve grand champion female that later sold for \$4,100 to Melbourne Farm where she produced the 1965 American Royal grand champion female that was top-selling female of the breed in 1965. Ranger also sired TK Eldak Romancer, the 1964 International supreme champion, and was the sire or grandsire of the bulls in the winning two-bull and three-bull groups. In 1965 a Ranger grandson was reserve champion of the International Congress while two daughters were senior and reserve senior champions of the Pennsylvania National.

Three sons and 35 daughters sell as the feature of this sale. Where else in the world can you find 35 top-quality half sisters to form a herd nucleus it would take years to breed?

Eldak Red Ranger

The undefeated junior bull calf of 1961, Red Ranger won All-American honors. Owned by Claymore Farms, Spencer, Iowa, they sold a one-half interest to Lewisfield at \$10,000. On both farms, Red Ranger has sired cattle of exceptional thickness and smoothness. Three sons and 35 daughters sell and a number of females carry his service.

Dungarthill Jason

Those of you looking for outcross blood will find it in both the Rangers and Dungarthill Jasons. He is by Baldowrie Braemar and out of a Millhills Jealousy cow by the \$26,000 Calrossie Highland Leader that also sired the dam of the world-famous Calrossie Diadem and Calrossie Diamond. In his first crop Jason sired TK Eldak Justin, an All-American.

Leveldale Lancer

It took Lewisfield \$5,000 to acquire this big, thick, stock bull in the 1964 Leveldale sale. He is by Woodhead Tribute and out of Leveldale Lovely Lana, a famous show female by Uppermill Perfect. Lancer also carries valuable crosses of Beaufort Captive, Crugleton Raeside, Westdrums Pablo and Westdrums Prince Ian. His service is a feature.

Lewisfield Roan Ranger

Among the sons of Shirgarton Ranger selected to follow their great sire at Lewisfield is Lewisfield Roan Ranger out of Eldak Augusta 46th by Eldak Campeon Max. His calves have exceptional size, stamina and thickness, and look like real prospects. See a picture of some of his sons on page 14 of this catalog. He is the service sire of a number of females selling.

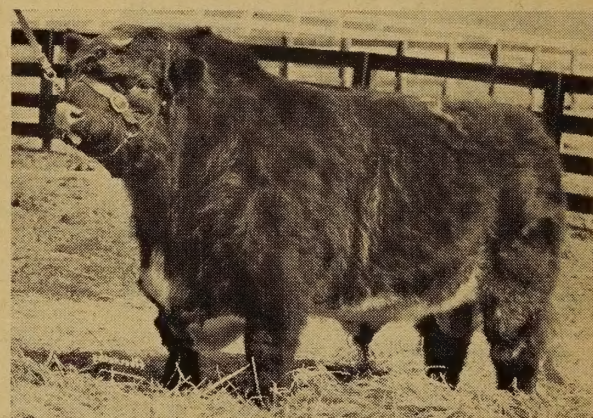

Aberfeldy Gold Dust

This All-American is by Aberfeldy Royal Robin and out of the same dam as Aberfeldy Editor, owned by Creek Shorthorns, and Aberfeldy Drum Major, herd sire for Roger Applegate. Gold Dust is a service sire of much of the offering.

Roan Lad of Northwood x

By the 2,670-pound Clipper King of Bapton x and out of the same family that produced Fernwood Gold Medal, in service at Melbourne Farm. Roan Lad has been mated to well over 100 cows at Lewisfield and much of the offering carries his service.

LEWISFIELD RIVAL — It has been a pleasure to watch this son of Shirgarton Ranger develop from calfhood. A consistent winner, he was grand champion of the 1965 Maryland State Fair and reserve grand champion at the Virginia State Fair. His mother is a member of our revered Marigold family. Rival's full sister sold to Kickapoo for \$2,200 where she is still producing. Rival's dam must rank as one of the great cows of all time. She was by Drynie Royal Oak that sired most of the best foundation females in the old Eldak herd. Lewisfield believes this is the best bull they have produced and accordingly reserve a one-third interest and show rights with the buyer's permission.

Eldak Red Ranger was the 1961 All-American and undefeated junior bull calf of the year.

Selling 9 Fabulous

A letter from the photographer

Dear Harris:

I just returned from Lewisfield, the pictures for the sale catalog will be in your hands shortly.

Since we were rained out the first day I was there, I had time to look over the entire herd, quite a group of cattle to put together in so short a time.

I was even more impressed with the quality of the cattle going in the sale. The 100 head in the sale are strictly from the top end of the herd, very uniform in their makeup, and while not hog fat they are in real good breeding condition.

They are putting out a lot of effort, as well as good cattle, in hopes of making this first sale a success, and I only hope the pictures do them justice. Both you and Bob have stressed keeping the retouching to a bare minimum, which we are doing, many of them will have no retouching at all, and will be so marked on the backs.

Sincerely, Jake

C. J. Curry, Abernathy Photo Co.

LEWISFIELD MISSIE MARGE — A very correct female from the world renowned Missie of Eldak tribe. This one is not in high flesh but is straight in her lines and shows promise of being an excellent brood cow. Note that her dam is a granddaughter of Calrossie White Emblem that was perhaps the best stock bull ever used by Richardson Stock Farms. Truman Kingsley showed a full sister to Missie Marge with great success. Bred to Roan Lad of Northwood x Jan. 13, 1966. *\$600 Harris*

It is almost impossible to find Cruggleton Allardice this close in a pedigree these days and this granddaughter has the thickness and stamina that made the Cruggleton bulls the world's best. Goldie is very thick, deep-bodied and heavy-boned and out of a lovely, good-headed cow. She will have a calf at foot by sale day by Roan Lad of Northwood x. Cattle will also be delivered to any other point in groups of ten or more. For complete details see the inside back cover of this catalog.

One of the real pleasures of this business is to be able to recommend top cattle whenever and wherever we find them. There are many attractions in the Lewisfield sale that will undoubtedly prove to be excellent investments. No distance is too great to travel when cattle like these are offered. Here's just a sample:

- Ten sons and grandsons of Shirgarton Ranger himself, the \$20,000 "Miracle Bull."

- Forty-five half sisters by Shirgarton Ranger. They provide a herd nucleus that it would take years to develop on your own farm.

- Seventeen imported cows from the greatest herds of Scotland and Canada.

- The dam of the 1959 International supreme champion female.

- The dam of the 1960 National Western champion bull.

- Both senior champion females from the 1965 Pennsylvania National.

- Nine members of the fabulous Missie of Eldak family that produced two International and three American Royal champions in four years and the top-selling female in the U.S. in 1965.

- Twenty-five cows with calves at foot by Roan Lad of Northwood x and with rebreeding privileges to any of the Lewisfield stock bulls including Shirgarton Ranger and the All-American Aberfeldy Gold Dust.

- Free delivery to central points throughout the United States. We could go on but you get the idea. With 102 head to see including a large number of cows in their working clothes, there will be many sound investments for practical cattlemen.

Memorial Day is the traditional time for the clan to gather from throughout the United States and Canada. The spring work will be practically done and you'll deserve a vacation. No setting could be more ideal than the beautiful Blue Ridge mountains near historic Charlottesville. Bring the entire family for a memorable and educational trip. There is much to see in Charlottesville and at Lewisfield.

—Harris Simons, The Shorthorn World
